

Translation workshop on Mathematics Laboratory Manual and Designing activity for Higher Secondary Stage: A State Government Project.

SCERT(WB) has started translation of the Manual on Mathematics Laboratory for Elementary and Secondary Stage. Also SCERT(WB) has organised workshop for designing activity cum Project Book for Mathematics Laboratory for Higher Secondary Stage. After translation and development of new activity SCERT(WB) has planned to set up Higher Secondary level Maths Corner in the Mathematics Laboratory of SCERT(WB). This project has approved by the School Education Department Govt of West Bengal under State Development Scheme in the Financial Year 2019 – 2020.
